25X1A9a Interrogation Course Program: On 14 February I interviewed a candidate for instructor in the interrogation Training field, a course or courses for which are to be developed within Headquarters Training. I have reported orally on this interview to ADTR and PO/TR. On 16 February, Mr. [REDACTED] and I met with Mr. [REDACTED] of ORR in connection with his interest in ascertaining what interrogations Training facilities OTR could provide OO/Contacts Division. The latter is soon to embark on an extensive program of interviewing persons in this country who may have information on a subject of major intelligence importance, the significance of which may, however, not be appreciated by those having the information. I have explained the status of our planning for specialized Training, pointing out that

25X1A it is not likely that a course could be developed and presented by the time desired by [REDACTED] -about 1 April. In order to formalize the matter, I requested Mr. [REDACTED] to talk with the DDP Training Officer. I informed Mr. [REDACTED] of this latest development in the apparently ever-widening interest in interrogation training.
